

What is a Compact?

A compact is an agreement between school and family. It explains how parents and teachers will support each other to increase students' achievement.

Washington School C.A.R.E.S

Commit to an ongoing education that promotes critical thinking, communication and problem solving.

Advocate the development of student talent, as well as collaboration with parents and the local community

Reinforce the values of mutual respect, courtesy, and appreciation for diversity

Encourage students to develop responsibility, accountability and self-discipline.

Sympathize with students while learning, grouping and succeeding together.

Note from the Principal

This document reflects the team efforts of the school, teachers, students and parents who are committed to the common goal of increasing student performance across all grade levels. The focus of this compact for achievement is based on school based data.

Mission Statement

Our mission is to work in partnership with parent/guardians and the community to enable our students to become independent, respectful, self-confident, and responsible citizens who respect diversity. We expect our students to strive to reach their maximum potential academically, socially, emotionally, and physically. As a result of our commitment, students will become life-long learners who enjoy learning.

District Goals

2016-2019

- The percentage of students in grade 1 and 2 scoring proficient or about on the Next Step Guided Reading Assessment will increase by at least 10% from winter to spring administrations
- The percentage of 3rd and 4th grade students scoring proficient or higher in reading and writing will increase by 5% each year as measured by the SBAC assessment administered in April/May.
- The percentage of 3rd and 4th grade students scoring proficient or higher in mathematics will increase by 5% each year as measured by the SBAC assessment administered in April/May.
- To actively engage parents of students in the education process and planning for students.
- To increase individual student academic growth to elevate effectiveness of school and district.

School Goals

- To increase reading, writing, and math proficiency.
- To strengthen the home/school partnership in an effort to increase academic success.

Second Grade Plan

In the Classroom

- Provide opportunities for students to think, read, write, speak and listen in all content areas
- Develop goals with students that align with high frequency word application & build fluency.
- Communicate to families and students about strategies with reading and writing to enhance comprehension.
- Develop goals with students that align with addition & subtraction facts.
- Communicate strategies to families and students that focus on addition & subtraction facts.
- Provide parents with materials to reinforce student practice in reading & math.
- Provide support to English Language Learners.

Parent Plan of Support
